Claremont Hospital is situated 3 miles (about 20 minutes) to the west of Sheffield city centre.

Public Transport

The hospital is served by the number 51 bus which goes from the city centre to Lodge Moor. You can get on at the Crucible / Arundel Gate and be dropped off at the Hospital entrance.

By Car

Leave the M1 at Junction 33 and follow signs for Sheffield. At Park Square roundabout follow the A57 towards Glossop. You will pass the University on your right, and the Children's & Weston Park Hospitals on your left, before reaching Broomhill. Continue past the shops and, at the traffic lights, turn right towards Manchester and Glossop. Continue for approximately 1 mile. Take the first left after the petrol station onto Sandygate Road.
